

sparkling climate change
consciousness with the young.

Spark is a forward looking group of young spiritual enthusiasts who believe and practice inside out actions on climate change, to affect it amongst the young. Join us if you are interested in affecting change for climate, from within.

"By polluting the oceans, not mitigating CO2 emissions and destroying our biodiversity, we are killing our planet. Let us face it, there is no planet B."
- Emmanuel Macron,
President, France

CHANGE
"A polluted consciousness filled with matter, and such schemes of selfish sense gratification, needs to change".

An ISKCON Coimbatore Initiative

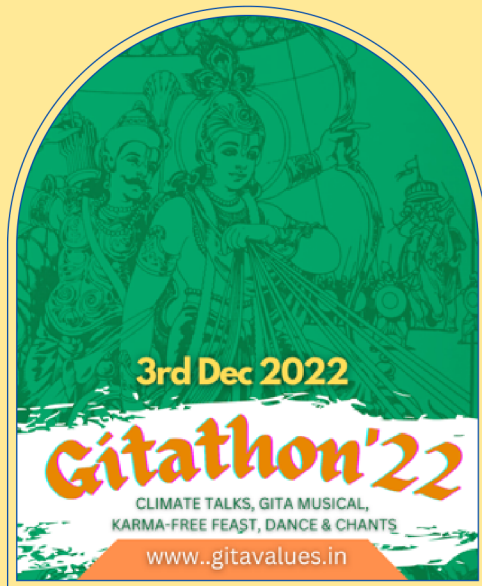

The Climate is changing faster than humans can. We are consumed by a problem much larger than us, due to an acute spiritual deficit. 5000 years ago, a warrior on a battlefield, heard from his dear friend, an amazing counsel that changed him instantly, inside out. **Climate change within**, each of us, will bring climate change without. Lets start with you & me .

5 sessions that will change you inside out, and keep you climate ready .

**November 26th & 27th
2022**
